## EMFICLEAN AL

### DESCRIPTION

EMFICLEAN AL is an abrasive wipe with high cleaning power containing a detergent solution which permits to remove traces of uncured adhesive or sealant on soiled hands, tools and substrates.

### AREAS OF APPLICATIONS

EMFICLEAN AL is specially adapted to clean fresh-applied and semi-cured sealants or adhesives on tools and non-porous surfaces like parquet varnishes, treated wood, tiles, PVC as well as lacquered aluminium.

EMFICLEAN AL might not be used on porous surfaces such as untreated wood.

### INSTRUCTIONS FOR USE

At first use, open the lid and pull off the closure to find the start wipe in the center of the roll. Get it through the central aperture of the distributing cap and reseal the lid immediately.

To get a wipe, open the lid, pull off a wipe and close the lid immediately.

To clean uncured adhesive or sealant, use the wipe immediately: after drying, it will not be effective anymore.

Dispose wipe into the bin after use (do not dispose them in toilets).

### STORAGE AND SHELF LIFE

36 months in closed original packaging stored at a temperature between 5 and 25°C.

### PACKAGING

Pot of 80 wipes (30 x 20 cm).

### SAFETY

Read material safety data sheet before use.

### PRECAUTIONS FOR USE

Wipes for professional use. Prohibited use for children.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.  
Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.  
The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
